Forecast For Wales
Issued by Met Office Exeter
at 1600 on Sunday 28 Feb 2021

++ Valid for broadcast between 1800 and 0600

Headline:
Fog for some to start an otherwise fine Monday.

This Evening and Tonight:
A clear and dry start to the night, though some parts may see low cloud and fog development through the early hours, particularly to the east. Winds remaining light and feeling chilly with frost for prone spots. Minimum temperature -1 deg C (30 deg F).

Monday:
Low cloud and fog may linger over some eastern parts. Otherwise another fine day is expected with plenty of sunshine. Winds mostly light with cloud and fog reforming overnight. Maximum temperature 11 deg C (52 deg F).

Outlook for Tuesday to Thursday:
Chillier on Tuesday with cloud and some sunny spells. Showers of rain then arrive overnight, continuing through Wednesday. Cloudy with drizzle on Thursday. Potential for frost and fog formation overnight.
